Arnold Golf Course is Arnold Air Force Base's military golf course. However, the course has obtained a waiver and is open for public play. The family friendly 9 hole course offers onsite driving range, practice chipping and putting greens, and practice bunker. The recently renovated Clubhouse has ADA compliant locker rooms with showers and is located in building 2815 off of Wattendorf Highway. The course features soaring trees with a thick rough lining the fairways and has very small elevated greens. There are several sets of tee boxes at each hole allowing golfers to get a different "look" when playing the second 9 holes during an 18 hole round. The course measures 3,193 yards and par is 35 or 36 depending on what set of tee boxes are played. The course is known for lengthy and tight par 3s. Demanding and precise shots will be required to hit fairways and greens but that's what makes it so much fun!

TEE TIMES

The golfing season begins each year on April 1st and runs through March 31st of the following year. Active duty military may make tee times up to 4 days in advance. All other eligible users may make tee times up to 3 days in advance. Public play may make tee times up to 2 days in advance. Reservations can be made in person or by calling the golf shop.

DRESS CODE

The following are not allowed on the course: tank tops or similar type shirts, plain undershirts, "see-thru" shirts, halter tops, bathing suits, and "short" shorts. Metal spikes are not allowed. Soft-spikes, spikeless shoes and tennis shoes are permitted. Reference the posted dress code or call for further guidelines.

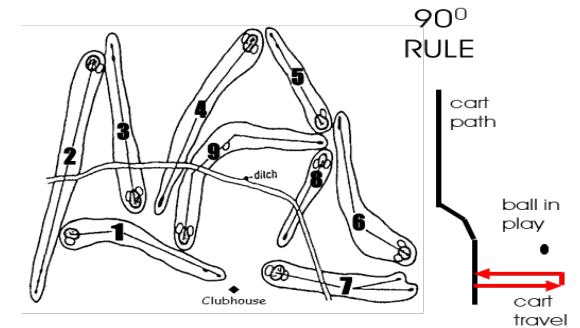

CARE OF THE COURSE

Please rake bunkers, repair ball marks on greens, and replace divots throughout the course. Each player is responsible for keeping the course clean. Please dispose of trash and cigar/cigarette butts in proper receptacles or trash cans.

OTHER COURSE RULES

- ~ No outside food/beverage. Coolers provided for purchases made at the course.
- ~ Each golfer must have a set of clubs and bag. Rentals are available in the golf shop.
- ~ Only two riders per golf cart. Driver must be at least age 16 with valid driver's license.
- ~ Keep carts on path around tees and greens.

- ~ Please keep play moving "without delay." Playing "ready golf" means playing when ready and not necessarily in "turn."
- ~ Your cooperation with keeping pace with the group in front of you is greatly appreciated.
